Single-lid Upright Vertical Offset Smoker

**Pearsall 16 Upright Vertical Offset Smoker** has an efficient airflow management system meaning that you will spend less time worrying about meat ruining temperature spikes and more time producing blue ribbon worthy results. The **handcrafted** Pearsall 16 has a total of 1760 square inches of cooking surface, with two cooking grates in the main chamber and three cooking grates in the vertical chamber, as well as a cooking grate in the firebox.
