

Pearsall 20

Single-lid Upright Vertical Offset Smoker

Pearsall 20 Upright Vertical Offset Smoker provides a total of 1910 square inches of cooking surface, including the direct grilling surface in the firebox and horizontal indirect grilling surface of slow smoking surface in the vertical chamber. Quickly achieve 700 degrees for searing steak, 400 degrees for indirect grilling, 200 - 250 degrees for barbecuing, or down to 150 degrees for slow smoking and warming. From searingly hot to low and slow, it really is that versatile. Remove the top rack(s) in the vertical chamber and gain access to the Pearsall's hanging bar for suspending your favorite slow smoking foods. **Made by Texas artisans**, the heavy ¼ inch steel construction and efficient air flow management system produce blue ribbon results, with minimal effort.
