

— COVERS FOR UPRIGHT VERTICAL PEARSALL SMOKERS —

Our heavy-duty All-Weather covers are custom fitted to each Pearsall pit. This cover fits the smoker beautifully and will add years of weather protection against the elements. The Premium Heavy Duty Fitted Vinyl Covers are custom-made exclusively for Texas Original BBQ Pits. This All-Weather cover is water-resistant and has a smooth interior lining. The material is black in color. Construction fabric is an outdoor spa covering that has a flexible feel like that of a heavy-weight Naugahyde®. With this tailored and “custom fitted” cover, NO metal grommets or bungee cords are required in high winds or bad weather conditions.

Please include sizing details when ordering.
